### A Word From Our President, Anna L. Wiggers:

As I enter my second year as president I would like to say “thank you” to all who made 2008 a successful year. We’ve doubled attendance at nearly every event and have some exciting new things planned for the upcoming year.

Check the town boards, our link on the town website ([www.townofredingtonbeach.com](http://www.townofredingtonbeach.com)), or submit your email address to be on our mail list and we will keep you in the loop about everything from new programs to lost pets!

Redington Beach is a great place to live and I’m proud to be a part of the RBPOA, who, with dozens of dedicated volunteers, continue to provide this town with well-organized, fun events that bring neighbors together. You are the heart of this organization and we thank you for your ongoing and generous support.

Enjoy your summer here on the beach and remember . . . It’s just another day in paradise!
